#### contents

9 the current year of sports proved to be a very successful one with the cross-country, girls' tennis, track, and golf teams taking association titles—however, the few remaining teams made their presence known—

31 the atmosphere at shelby high is a good one because the students have a pleasant building in which to study, an attractive cafeteria, a well run office, an efficient library, and a guidance department which encourages one to speak freely concerning his problems—

71 extra-curricular activities at shelby high range in such a way as to involve all interested students—there are clubs which honor hard working students and those which students join for social fellowships—

105 from a-to-z in any class at shelby high one finds the best young people around—the very able school board and administration keep these fine young ladies and gentlemen happy and pleased with school—

175 even in this wealthy country, money is essential for the production of almost anything—this year, these fine businesses and firms in the shelby area and these patrons of the school have provided the funds with which this yearbook could be published—we thank them—

#### To our fellow students:

In these times in which we live, we have forgotten that life holds in store for us many things to cherish and to enjoy. It is upon this premise that we, the editors, have attempted to mold this book. We ask only that you take time out from this hectic life to relax a moment and enjoy. This book is for you, the students of Shelby High. Make of it what you wish.

Sincerely,

Brian M. Strain Richard M. Bowles, Jr.

4/introduction

take time for ten things

- 1—take time to read; it is the foundation of knowledge.
- 2—take time to think; it is the source of power.
- 3—take time to worship; it is the highway of reverence and washes the dust of earth from your eyes.
- 4—take time to play; it is the secret of youth.
- 5—take time for work; it is the price of success.
- 6—take time to help and enjoy friends; it is the source of happiness.
- 7—take time to love; it is the one sacrement of life.
- 8—take time to dream; it hitches the soul to the stars.
- 9—take time to laugh; it is the singing that helps with life's load.
- 10—take time to plan; it is the secret of being able to have time to take time for the first nine things.

there is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better or worse as his portion — the power which resides in him is new in nature, and none but he knows what that is which he can do, nor does he know until he has tried.

Coach Allen told us to really get up for this game.

Lose something?

Now Charlie, the goal post is that way.

Look up in the sky; it's a bird, it's a plane, no, it's a football!

Togetherness promotes friendship?

The Golden Lions again waged a successful gridiron campaign finishing 7-2-1. Although failing to reach the playoffs, they played good hardnosed football and continued to improve throughout the season. Tough defense and a powerful ground attack typified the team's play. Gerald Allen was selected head coach of this year's N. C. State Shrine Bowl team and Larry Eberheart was chosen as a player. With many lettermen returning, next year's team should be a good one.

# j. v. football

First Row — Byron Johnson, Bradley Thompson, Les Brower, Norman Harmon, Matt Aremia, Chipper Hamrick, Milton Gaines, Roger Davis. Second Row — Jim Gaston, Neil Robinson, Danny Allen, Lloyd Williams, Eric Hoyle, Brian Johnson, Hicks Beam, Will Mabry, Barry Greene, Jeff Huntsinger, Doug Huntsinger, Mike Strazzo.

Thousands turn out for J. V. games!

The J. V. football team provides valuable experiences for boys who are not yet ready to compete on the varsity level. In an abbreviated season, this year's squad finished with a record of two wins and two losses. Coach Kirkpatrick's team lacked depth but displayed plenty of spirit.

J. V.'s catch on.

The cross-country team combined hard work with good depth to "run away" with its second consecutive association championship. Seniors Danny Spake and Zack Murrell formed a strong one-two punch for the undefeated harriers. Dick Hamrick, an avid runner himself, coached the team to an awesome season.

First Row — Robby Blakeley, Danny Spake, Zack Murrell, Benjamin McCurry. Second Row — Tommy Moss, Paul Whetstone, Vann Vogel, Tim Davis, Scott Spradley. Third Row — Coach Dick Hamrick, Douglas Wilkins, David McMurry, Rick Roseboro.

### cross country

An unfamiliar sight - Shelby runners aren't ahead!

16/sports

### wrestling

This year wrestling was introduced at Shelby High. The sport requires endurance, body control, quickness, and discipline. Bob Reynolds gave up his position of assistant basketball coach to coach this team. The interested young men are eager and should prove to be successful.

First Row — Mal Martin, Ricky Bridges, Kenny Blue, Mike Bolt, Robert Barnhill, Matt Aremia, John Cabaniss, Dennis Riley, Mark Buse, Talley Lattimore. Second Row — Ronnie Upton, Ben McCurry, Mark Aremia, Chuck Bolt, Norman Harmon, John Brock, Rex Appling, Howard Nuss, Jim Gaston, Stewart Bankhead. Third Row — Billy Phillips, David McMurry, Neil Robinson, Don Peeler, Mike Cogsdale, Chuck Beam, Brian Johnson, Peter Cabiness, Terry Ledford, Morris Davis.

Walking Tall.

Chuck stays on his toes.

# boys' varsity basketball

First Row — Mark Weaver, Claude London, Craig Clemmons, James McKissick, William Gentry, Donald Davenport (manager). Second Row — Mr. Lloyd Wall, Ted Ross, Jack Brooks, Mike Spake, Chuck Toms, Franklin Moore, Eugene Mance, Perry Smith, Sylvester Haynes, Paul Gash, Mr. Dick McCleney (Coach).

With only one starter returning from last year's conference championship team, the Lions should be inexperienced but strong. The Lions proved that they will pose a threat to retain their SWC crown by narrowly losing to powerful East Mecklenburg by three points. All-State candidate James McKissick broke Shelby High's scoring record with 37 points.

Keith rises to the occasion against Kings Mountain.

Lions - they look just as good off the court as on!

Perry, on his way to the top!

Lady Lions show good form.

Little Sallie plays big!

With key performers returning from last year's team, the Lady Lions promised to be very strong this year. Their '73-'74 conference play opened on December 7th at Cherryville. Coach Charles Turner stresses team defense and excellent conditioning.

Tri-Captains — Sallie Black, Patti Collins, Linda Wright.

Geysers? . . . in Shelby?

The Shelby High Golf team wrapped up its third straight W.N.C.H.S.A.A. title in '73 by trouncing Morganton by thirty strokes. The Golden Lions placed five members in the top ten led by three time medalist Mike Bright. Shelby should be strong again this year with Seniors Scott Spradley, Steve Hamrick, Rick Bowles, Bob Burrus, and Guy Brooks returning. Coach Dick McCleney and his men hope to make it "Four in '74."

Scott has a lot of drive.

First Row — Cliff Pernell, Rick Bowles, Jim Kirkham, Scott Spradley, Steve Sherman. Second Row — Mr. McCleney (Coach), Bob Burrus, Guy Brooks, Mike Bright, Mike Fesperman, David Royster, not pictured: Steve Hamrick.

Roger McKee (Coach), Gene Smith, Vince Barnhill, Brian Creswell, Chris Horne, Terry Bryant, Mark McDaniel, Gene Kirkpatrick (Coach), Jimmy Bridges, Gary Barnett, Jeff Peeler, Scott White, Curtis Hollifield, Larry Land, Mitchell Terrell, Danny Miller, Andy McMurry, Omar Loaces, Todd Crowder (manager), Deric Hoyle (manager).

Mark shows rare form.

Some hitters are camera shy.

Nineteen and seventy-three proved to be an exciting but frustrating year for the Lion sandbaggers. They had an excellent record of thirteen wins and five losses but they lost the conference race to the team they had beaten twice, South Point. Chris Horne was named the most outstanding player. Some of the players, however, played for the highly successful American Legion team which finished second in the state. Gene Kirkpatrick and Roger McKee served as coaches to these fine young men.

### tennis

I've got it, I've got it! . . . no, you take it.

Intense concentration is vital to Chuck's game.

Left to right — Sally Hunt, Carol Webb, Patty Collins, Stephanie Glenn, Lee Young, Debbie Hardin, Mary Roberts, Julie Cushman.

Next opponent . . . Bobby Riggs!

The tennis teams contined their winning traditions with the girls sweeping to the association championship and the boys repeating as the bi-conference champions. Lee Young, girls' Player of the Year, paced the lady lions by winning the association singles championship. The boys, led by two-time Player of the Year, Chuck Cloninger, extended their conference play winning streak to thirty-one matches. Arthur Moss was voted Coach of the Year for both the boys' and girls' netters.

It takes two to tango!

THE PARTY OF THE P

Clarence performs superbly as SHS takes the Association crown.

Saddle-up Larry!!!

The nineteen seventy-three track team decided before the season to win not only the Conference and Bi-Conference titles but the Association title as well. Highly successful Coach Gerald Allen sent the wing-feet through and undefeated season and climaxed the year with a literal run-away in the final meet.

Ben, tell Robby he can't fly.

it doesn't matter if you win or lose . . .

... but 106 to nothing is ridiculous!

student life

David Eaker will represent Shelby High as this year's National Merit Semi-Finalist. David was selected on the basis of his score on the National Merit Scholarship Qualifying Test. National Merit Semifinalists constitute less than one per cent of the graduating high school seniors in the United States. On the basis of his score on the November Scholastic Aptitude Test, David may be named as a finalist in the National Merit Scholarship competition.

From the class of 1974, Bob Burrus, David Eaker, Andy McMurry, Zack Murrell, Brian Strain, and Lin Thompson were nominated to represent Shelby High for competition of the John Motley Morehead Scholarship. These seniors were chosen on the basis of high scholarship, personality, leadership, and well-rounded interests. From these six — David, Andy, and Lin were selected for further competition.

These students, chosen on the basis of their leadership capabilities and citizenship, attended student government sessions during the summer. Bob Burrus, David Eaker, Zack Murrell, and Brian Strain attended Boys' State. Vista Jones was selected to attend Girls' State. The delegates participated in forming a model government on the state level. The results of each session were sent to the state governor.

This year two students represented Shelby High School at the Governor's School of North Carolina. These two students are Grace Morris and Margaret Hobbs. Margaret was chosen to study in her special area of music. Grace was chosen to study with a concentration on drama. Both students received much more than knowledge. They were provided with the experience of learning about people and forming new friendships.

Each year at the awards ceremony, the Daughters of the American Revolution honor outstanding students with a gold medal. Brian Strain and Vista Jones are this year's winners of the coveted citizenship award. Brian and Vista were chosen on the basis of their outstanding scholarship, leadership, and citizenship. They will represent Shelby High School in the district competition and may continue as the SHS representatives in state competition.

Last summer, four students from Shelby High attended the summer Science Training Program for Mathematics at Western Carolina University. This program which honors math students on past performance and potential, is sponsored by the National Science Foundation. Thirty students were selected to attend the seven week session and study The Calculus with its derivations. Shelby High took pride in sending Debbie Crocker, Jody Kendrick, Lu Litton, and Andy McMurry to the session.

Each year the Woodmen of the World and the Daughters of the American Revolution present awards to students who are out standing in United States history. To the junior boy who has maintained the highest scholastic average in United States history, the Woodmen of the World present a medal; the Daughters of the American Revolution do the same for the junior girl who has kept the highest scholastic average in the course. In 1973 the recipients of the awards were Steve Bettis and Grace Morris.

Student government is an important function in any school. Shelby High is proud and privileged to have such a dedicated student council. Composed of student-elected officers and members, this group works hard to create a cooperative spirit between the faculty and the students. The student council sponsors the successful "Tricycle 500" as well as the Homecoming with all its pagentry.

Student Council discusses important business.

Did you know the high school Student Council doesn't even have a hospitality committee.

#### junior-senior

The Junior-Senior Prom is planned by the junior class officers and committee members. Robin Hendrick worked hard to create a prom well worth the memories. Using "Pieces of April" as the theme, he and the juniors altered the gym beyond recognition and transformed it into a beautiful array of scenes familiar to April. Sugarcreek provided the music for dancing and listening.

Juniors and seniors enjoy themselves.

Each Friday SHS students come to life as they are led by twelve enthusiastic junior and senior cheerleaders. No matter what the conditions, they somehow find the spirit and pep to cheer the Golden Lions on to victory. The varsity cheerleaders not only lead students at sports events, they also make posters, give pep talks, and provide players with surprising little gifts each week.

Get up and go Lions!

Sophomores soon learn to display the spirit that is traditional at Shelby High. Ten dedicated girls are responsible for leading this spirit. The junior varsity cheerleaders lead the sophomores at pep rallies and at J. V. football and basketball games. They make posters and give pep talks to boost school spirit.

Each Monday night SHS students assemble in the student lounge to talk, sing, and learn about God. Songs are led by David Ellis. Guitars are popular. Many students, through club meetings and camps, have come closer to each other and to God. Shelby High has Mr. Ron Austell to thank for bringing Young Life to them.

Young Life creates a closeness among its members.

#### marshals

The marshals represent the "teachers' pets" at Shelby High. This handsome group is chosen by the faculty on the basis of dependability and loyalty to Shelby High. Personal appearance and leadership are considered also. The marshals serve as ushers on College Day and at graduation and other public events.

The Outlook presents opinions, features, sports, and of course news to Shelby High several times during the school year. Many students do not realize that this school publication has received many various awards for its coverage and interesting content. Mrs. Vanda Nesbitt serves as the advisor to this fine staff which works hard and long for a publication pleasing to the students, faculty, and even outside readers.

Before school each morning during the football season, one can hear the Shelby High band rehearsing the halftime show to be given at the next football game. After the marching season in which the band performs at all football games and the parades for Homecoming, the Shrine Bowl, and Christmas, the band presents concerts for the public. The year is climaxed by the band's participation in the state contest at Greensboro. Mr. Homer Haworth and Mr. Gene Ellis are the two dedicated men in charge of the band.

#### counselors

The guidance program includes a group of services designed to give systematic aid to all pupils in recognizing and solving the various types of problems they must meet — educational, vocational, personal, social, moral, physical, and civic. Guidance activities are organized into a definite program in which each staff member is a responsible participant. The efficiency of the Guidance Department is best exemplified by the manner in which it handles the scheduling of the students. The department is also equipped with a health room.

Dedicated librarian, Mrs. Neal.

## office operation

Girls, who have decided to give up their study halls to run errands along with performing other office work, aid the office personnel. These girls are accepted in the summer and early fall, on the basis of character, affability, and dependability.

Mrs. Gee and Mrs. Ballard tend to business.

All phases of the SHS program are enriched by library materials and services. The SHS library contributes to the development of independent thinking, effective study habits, and positive attitudes toward reading. The library is more than a book center; it is the center of the academic world of Shelby High.

Caren Degree, Laura McCants, Linda Morris, Dawn Eaves, Mary Roberts.

Lunchroom Staff

Aside from popular opinion, the lunchroom provides a relaxing and appetizing atmosphere in which to eat. The lunches are prepared by the qualified personnel, then served with the aid of some student helpers. To make lunch even more enjoyable, a juke box is constantly playing.

#### care-takers

Teaching students is said to be a difficult job, but cleaning up after them, as the custodians have found out, has proved to be even harder. No one can deny that there is at least one call over the intercom per day for one of the men to pull out the bleachers in the gym or produce the stadium key.

# sophomores

the grads of '76
have learned many new tricks,
they laugh and play but all along
the books remain ever so strong;
theirs is not to do or die
theirs is but to reason why—
this is why when they hit the world
they will no longer be boy or girl
but citizens of this great land
paying taxes to the man!

## a memorial for Pam Ballenger

Pam Ballenger died in the summer before her senior year; but the name Pam Ballenger lives. Her name lives in the true example of faith, hope, and courage that she displayed through the most trying times anyone could endure. Her name stands as one who never gave up. She kept striving for a normal life even though she no longer could attend school regularly. Death came — but to Pam even this was only another step in life. Pam Ballenger — a name in our history of a girl whose personal love and faith will live forever in the example for which her life stood.

The Lord is my shepard; I shall not want. He maketh me to lie down in green pastures: He leadeth me beside the still waters; He restoreth my soul He leadeth me in the paths of righteousness For His name's sake. Yea, though I walk through the valley of the shadows of death, I will fear no evil: For thou art with me; Thy rod and thy staff, They comfort me. Thou preparest a table before me in the presence of mine enemies; Thou anointest my head with oil; My cup runneth over. Surely goodness and mercy shall follow me all the days of my life; And I will dwell in the house of the Lord forever.

Debbie,

Debbie Hartley

Time should not be allowed to pass without yielding fruits in the form of something learned worthy of being known, some good principle cultivated, or some good habit strengthened... Time was the estate out of which the great workers, and all other workers, formed that rich treasury of thoughts and deeds which they have left to their successors.

Samuel Smiles
